Assemble your colleagues in the great outdoors, for an exhilarating & unparalleled out of office Team Spirit Polo Experience.

This isn't just team building! Adventure, adrenaline, unity & challenge collide with fun, camaraderie, banter, laughter, teamwork & a healthy dose of competition, against the serene canvas of the Surrey countryside.

With all the art of polo under their belts, including riding, hitting, rules & tactics, colleagues will play their first chukkas followed by an afternoon of hospitality.

Elevate & extend your experience with team shirts, prize givings or lengthen your day by watching our pros, the maestros on the field in their element, with an exhibition match!
